Next Meeting Date

The next Monthly Meeting will be

April 9th

7:00 pm

At the flying field, assuming weather permits.

Otherwise it will be at the bountiful library

April 16th

From the President: Dear South Davis Club Members,

It has almost been a Month since we had our last club meeting at the Bountiful, UT Library. During the meeting we discussed some very important issues that need to be brought to your attention.

1. We are in the process of designing a new logo for the Club and are looking to have jackets made for each club member that are interested. The jacket style we chose at the meeting is a, what is referred to as a, coaches jacket and the color being red. We will be taking orders for the jackets at the April Club meeting. Please put April 9th at 7pm on your calendars to be in attendance at this meeting. The Price for the jackets will be roughly \$21.00 to \$28.00 depending on how many are ordered.

2. We also discussed the need to improve the pit area at the field. As many of you know the carpet has held up for many years. Many of the club members feel it time to replace the existing carpet. Several ideas where mentioned and some looked at more seriously than others. The members of the club at the meeting felt that the club would be willing to spend somewhere around \$1000.00 from our Club account, however it was not voted on. At the meeting we set up

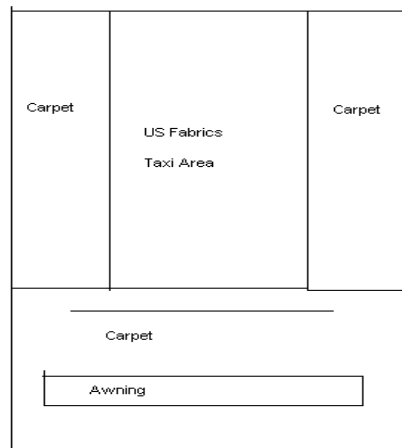

a committee to look into several ideas and to follow up on others. As follows is a proposed plan and pricing to do what we think as a committee would be best.

Here is the link to US Fabrics <http://www.usfabricsinc.com/products/rcaircraftgeotextile.shtml> this is a product that other clubs around the Country are using for runways as well as pit areas. We think that this product would work well for fixing up our field. The proposal is as follows,

1. We would take up existing carpet and throw away.
2. Purchase at least 15 yards of road base and re-grade pit area, \$250 to \$300
3. Purchase one roll of US Fabrics product 15' X 300' and stake down over newly graded road base covering 45' wide and 100' long \$970.00
4. Find newer carpet remnants to cover each side of the 45 feet (12 feet on each side) this would make a nice 20' wide taxing area down the center of the pit as well as re carpet behind safety net and under awning. Diagram has been attached to help visualize.

Total cost to do this would be \$1270.00. We would like to get started with this project ASAP. Please send me your feedback at your earliest convenience. By attending the club meeting or send E mail to Marc@croftpower.com

Thank you,

The Carpet would go on top of the US Fabric.

Marc Croft
Club President

From the March meeting: The club has been Re-Chartered for 2009. Also there was more discussion on Jackets and the Logo that will go on them. If you would like to see what it is all about please come to the meeting, There was 38 Paid members as of the last meeting.

Treasurer' Report –There is a Total of \$2136.41 in checking, \$25.12 in shares, and 2540.61 in a CD.

Current items- There was discussion as to the flying field and what should be done to improve the pit area. Please come to the meeting and give us your input! We would like to hear from everyone who wants to see some improvement, so please come and give us your ideas.

DUES - Just a reminder that yearly dues are to be paid by January. Yearly dues are \$30. Make checks out to South Davis Modelers. Remember there is a penalty for paying late. If you have not paid your dues be sure to get them in ASAP.

After February 15th - \$5.00

After March 17th - \$10.00

After April 15th - \$15.00

After May 3rd - you are no longer a member. You must re-apply and pay the initiation fees. You can pay your dues at the January club meeting or send them to our treasurer:

Frank Hunt, 164 South 2050 East, Layton, UT 84040.

REMEMBER. You must show a 2009 AMA Card when you pay your dues. If you pay by mail, include a photocopy of your 2009 AMA Card.
