### From the President:

It's that time of month again when we all get together and discuss the needs of the club. I am excited and ready to serve each of you as the newly elected Club President. It is my personal goal to have a good turn out to each of our club meetings this year. This meeting will be particularly important that each of you come so that we may have your input on t-shirts, hats and jackets as well as placing orders. I know that each of us enjoy spending time at the field however I would encourage us all to play an active role in participating in our club meetings. I look forward to seeing each of you on Thursday February 12th. Let's make 2009 a great year!

Marc Croft

**From the January Meeting** – Hats and Jackets were the main topic in January.
