**HAPPY NEW YEAR!!**

## Presidents Message

Happy New Year. I hope all of you had a great Holiday season and got some new toys for the upcoming year. At least the weather is giving us plenty of time to build some new models for the upcoming year.

I would like to thank the outgoing officers, Mark and Scott for their service over the past years. I am sure Doc will have complete election results somewhere in the newsletter, but nobody was more surprised than me at the election results - I asked for a recount but Doc said I would be president no matter how many times we counted.

I would like to hear from the club members if you have any suggestions. There are usually plenty of empty seats at the club meetings, please let me know if there are changes to the meeting format or if there is a way to make it more interesting to a broader audience. Same goes for the club in general, I would like to hear your ideas and suggestions for anything to do with the club. Feel free to email me at [bforsber2002@yahoo.com](mailto:bforsber2002@yahoo.com), call me, or catch me at the field. I want to make sure we are doing the things the members want.

Brett
