### Next Meeting Date

The next Monthly Meeting will be

**July 9th**

**7:00 pm**

**At the flying field**

**From the President:** Dear South Davis Club Members,

Hi everyone, Sorry that we were unable to have a meeting last month due to the rain, It is strange to see the crazy weather that we have been having lately, I personally have not been able to get out flying at all because it seems like every time I have a chance to get out, it is windy and raining. I hope to get out soon. I would like to thank everyone that has been keeping the field in good shape. I hope to see all of you at the next meeting.

PS. Those of you that are interested in helping move some sand and dirt around with rakes and shovels, there may be some more work to do by the meeting date. So if you have time you may want to bring a shovel and a rake. I am going to spend some time this week at the field so we can finally get it finished.

Marc Croft  
President

**From the May meeting:** Those who were present voted that it would be good to spend a bit more money to get more dirt/course sand and other supplies to finish up the field. Not to spend any more than \$500.00.

**Treasurer' Report** –There had been some money paid out to have some upgrades done to the flying field. We will have a total of what is in the bank at the July meeting.

**Current items-** The flying field is under construction and we were able to get another load of course sand delivered to the field. Most of the product has been purchased for the improvements. Troy Young was kind enough to round up some carpet and was able to get some of it delivered to the field. There will be more delivered this week. It should be really nice because all of it is the same color and is the low profile commercial grade.

**DUES -**

**After May 3<sup>rd</sup> - you are no longer a member.** You must re-apply and pay the initiation fees.

**Frank Hunt, 164 South 2050 East, Layton, UT 84040.**

REMEMBER. You must show a 2009 AMA Card when you pay your dues. If you pay by mail, include a photocopy of your 2009 AMA Card.

**From the Secretary-** You may have noticed that some of the items on this newsletter are the same as the last newsletter, if you did not know, the June meeting was cancelled due to bad weather. Also, if you know of anyone that is not receiving the newsletter, It would be great if you can let me know via E mail or by phone call. Thanks, Neil Croft

**EVENTS: Please check out the website to see a list of the current events around the state.**
