At the flying field

From the President: Dear South Davis Club Members,

I would like to thank all those that came to the last club meeting. I hope all of you are enjoying the good flying weather we have had the last couple of weeks. As you know the flying field has had some work done to it and we still need to do a bit more, However it has been so wet and soggy at the field that it was agreed that it needed to dry out for several weeks before we finished. It was voted that we spend no more than \$500.00 more dollars to have a bit more road base dirt to build up the pit area a bit more. We will be focusing on getting it finished within the next couple of weeks. I will let everyone know when we do it so we can get some help to finish doing some leveling and to put the GeoTex down. Also if anyone has any carpet or has access to any carpet that can be donated to the club it would be greatly appreciated. The intent is to put it around the edges of the GeoTex. Thanks everyone. Happy Flying

Marc Croft
President

From the May meeting: Those who were present voted that it would be good to spend a bit more money to get more dirt/roadbase and other supplies to finish up the field. Not to spend any more than \$500.00.

Treasurer' Report –There had been some money paid out to have some upgrades done to the flying field. We will have a total of what is in the bank at the June meeting.

Current items- The flying field is under construction. Most of the product has been purchased for the improvements. Those of you that have some carpet that you would like to donate to the club it would be greatly appreciated.

DUES -

After May 3rd - you are no longer a member. You must re-apply and pay the initiation fees.

Frank Hunt, 164 South 2050 East, Layton, UT 84040.
