## Next Meeting Date

The next Monthly Meeting will be

**Tuesday, March 4, 2008**

**7:00 PM**

Bountiful Library

The monthly Modelers was begun at 7:10 PM at the Bountiful Library. Our President-Elect Brett Forsberg conducted. There were 12 members present.

**Discussion:** Brett Forsberg thanked all the club officers who had served the past year.

Dues for 2008 were collected by our treasurer, Frank Hunt.

The AMA charter will be renewed in March when it usually arrives from AMA.

Field rental was once again brought up. We still do not know who owns the field or who to pay rent to.

Bridge from Farmington over the highway is out and under construction. All those using the bridge will now have to use Park Lane Exit from Farmington.

The January 1<sup>st</sup> fun-fly at the Modelport was attended by several members. It was cold but there were quite a few planes there.

The Bountiful Library has been reserved for March, April and May so meetings will be held there the first Tuesday of each month.

Several topics were then discussed:

How can we get more members involved in club meetings?

Possibility of a monthly fun-fly on the Saturday following the monthly meeting from March thru October.

Night fly.

Alternative flying sites if our field is lost was brought up. There doesn't appear to be any obvious sites in South Davis County. The possibility of flying as a club at the Modelport was discussed. Now that the Salt Lake Club is flying at their new field might make it less busy.

**Treasurers Report:** Our treasurer, Frank Hunt, reported that we now have 21 members in our club so far in 2008. As of the meeting there is \$4069.44 in our savings account.

**Web Site:** Bill Sutton continues to be our Web Master. The members were encouraged to send him photos or any other information that would be of interest to the club members.

**DUES** - Just a reminder that yearly dues are to be paid by January. Yearly dues are \$30. Make checks out to South Davis Modelers. Remember there is a penalty for paying late.

After February 15<sup>th</sup> - \$5.00

After March 17<sup>th</sup> - \$10.00

After April 15<sup>th</sup> - \$15.00

After May 3<sup>rd</sup> - you are no longer a member. You must reapply and pay the initiation fees. You can pay your dues at the March club meeting or send them to Frank Hunt, treasurer. REMEMBER. You must show a 2008 AMA Card when you pay your dues.

### **Show and Tell:**

**Don Buckbee** showed us his Edge 540 from Texas R/C. It is powered by a Mecor 46 2 cycle engine. It should fly great.

**Dean Smith** showed his new Saito FG36. It is a 2.20 cu. in four stroke gasoline powered engine. It will turn a 18 X 6 prop. He plans on putting it in a quarter-scale Fokker D7. It should have a great sound.

### **For Sale:**
