From the President:

From the President--Wow it has already been a month since the last meeting. I hope that all of you have been busy building your new favorite airplane or helicopter. It will be exciting to see all of the new finished projects from everyone at the flying field soon. Hopefully the weather will permit so we can all get some good flying in. I had the opportunity to get down to Saint George and see the new flying field. And had a great time at the fun fly they had as well. There were a lot of people that showed up and there was a ton of cool airplanes. It was nice to see some of our own club members there as well. Once again it is my goal to get as many people out to the meetings as possible so please help me out and show up if possible.

Marc Croft

From the February Meeting –12 members were present and there were lots of show and tell. Please bring more! There is 33 paid members currently. We decided that the color of the jackets should be Red with a cool new Club logo and graphic screen printed on them. If you want a jacket, be sure to show up at the meeting to get one orderd. They should only be around \$20.00.
