**From the President:** Dear South Davis Club Members,

I would like to thank everyone that came to the last club meeting. It was voted that there would be some money spent to fix up the flying field. I would recommend that everyone take a look at the progress that has been made at the field. It has been a bit slow going due to the rainy weather we have had, but it wont take much more work to get it ready. Please come to the meeting and give us your input.
